Welcome to Compass

A guide for parents and families
Our school uses **Compass** as our Parent Portal
What does Compass do for me?

Using Compass allows you to access up-to-date and meaningful information about our school and your child’s progress. Compass includes many different features, including the ability to:

• Monitor your child’s attendance, and enter approval for absence or lateness
• Communicate with your child’s teachers, and update your family contact details
• View your child’s timetable and the school calendar
• Monitor your child’s homework and assessment tasks
• Download and view your child’s progress and semester reports
• Book parent-teacher conferences
• Pay and provide consent for events and school fees

Our school will advise parents when each of these features becomes available for parent use.
Accessing Compass

Compass is a web-based system that is accessible on any modern web browser (Internet Explorer, Firefox, Chrome, Safari) or by using the Compass iOS or Android apps.

Every family receives a separate login to Compass which will be provided to you by the school. To access the parent portal, go to our school website and click the Compass link on the homepage.

Alternatively, if you are having trouble finding the Compass link you can go to http://schools.jdlf.com.au where you can search for and find our school’s direct URL.
Logging in to Compass

To log in, you will require your unique family username and password. These details will be provided to you by the school.

Upon first login, you will be required to change your password and confirm your email address and mobile phone number. These details may be used by the school for SMS, password recovery, and email communication throughout the year.

If you have lost your details or forgotten your password, you can recover your details by clicking the 'Don’t know your username? / Forgot your password?’ link on the front page.
