PRIMARY SCHOOL HOMEWORK POLICY

PURPOSE

The purpose of this policy is to outline to students, parents/carers and school staff Seymour College's expectations for homework and at-home learning.

SCOPE

This policy applies to students in all year levels and staff responsible for setting homework.

POLICY

Seymour College acknowledges that homework should be tailored and adapted to suit the personal and developmental needs of students.

Teachers at Seymour College are encouraged to exercise their discretion in assigning tasks that are appropriate for their students and most likely to be meaningful. This may comprise of completion of class work, reading, practice exercises or extension assignments.

Prep to Year 4

In the early years, the objective of homework should be to practise and consolidate the concepts that have been introduced during class time. It is also intended to introduce the concepts of self-discipline and responsibility and prepare them for the upper grades.

Assigned homework tasks will build on concepts explored in the classroom and encourage students to use their initiative by gathering additional information or materials.

Homework will mainly consist of daily reading to, with, or by parents/carer or older siblings and times table practise.

Students are generally not expected to complete more than 20 minutes of homework per day and no homework tasks will be assigned over the weekends or during the holidays.

Year 5 to Year 6

In the upper year levels, the objective of homework is to build on the concepts of self-discipline, responsibility and initiative to prepare students for secondary school.

Assigned homework tasks will include daily independent reading and times table practise. Our current expectations are only reading daily and times tables.

Students are generally not expected to spend more than 30 minutes per day on homework and no homework tasks will be assigned over the weekends or during the holidays.

Shared expectations and responsibilities

Homework is a shared responsibility between the school, teachers, students and their parents/carers. In order to get the most out of homework tasks, it is important that everyone understands their obligations and responsibilities.

Seymour College will support students by:

- ensuring the school's homework policy is relevant to the needs of students
- advising parents/carers of homework expectations at the beginning of the school year and providing them with a copy of the homework policy
- encouraging parents/carers of early primary school aged children to read to and with their children for enjoyment
- ensuring that upper primary students use homework diaries to provide a regular communication between parents and the school.

Teachers at Seymour College will:

- equip students with the skills to solve problems

- help students develop organisational and time-management skills
- ensure parents/carers are aware of the school's homework policy

- offer a wide range of opportunities for families to engage in their children.

It is expected that students will take responsibility for their own learning by:

- being aware of the school's homework policy
- discussing with their parents/carers homework expectations

- accepting responsibility for the completion of homework tasks within set time frames
- following up on comments made by teachers

Support for students, parents and carers

If you are concerned that your child may not understand the homework tasks that have been set for him or her, or is spending a long period of time completing their homework, we encourage you to speak to their individual teachers or Year Level Coordinator.

Seymour College has in place a number of learning programs that students may attend before or after school or during lunchtimes to assist with particular areas of need. Please see your individual teacher for details.

Students may be referred to programs by their teacher in consultation with their parents/carers. For more information about these programs, please contact your child's teacher.

PURPOSE

The purpose of this policy is to outline to students, parents/carers and school staff Seymour College's expectations for homework and at-home learning.

SCOPE

POLICY

Seymour College expects students to further develop and consolidate their independent learning skills by completing homework tasks. Years 7 to 9

Homework tasks at these year levels may include daily independent reading, extended classwork, projects, essays, exercises and research.

Generally, students will be expected to spend between 45 to 90 minutes per day on homework tasks. Some tasks may be assigned to be completed during weekends and on the school holidays.

Years 10 to 12

Generally, students can expect homework tasks in these year levels to increase to take into account the expected level of independence and initiative of students.
