TO PREPARE YOURSELF FOR YOUR CHOSEN  
CAREER YOU SHOULD BECOME AWARE OF  
WHAT EMPLOYERS ARE LOOKING FOR OF  
THEIR EMPLOYEES

FOCUS ON THESE REQUIREMENTS DURING  
COURSE PARTICIPATION

# WHAT EMPLOYERS GENERALLY LOOK FOR IN THE AUTOMOTIVE INDUSTRY

- People with a clear idea of the Automotive career they want
- Hands on learners
- Committed people wanting to learn
- People who have demonstrated their potential though work experience

# WHAT AN EMPLOYER WILL EXPECT FROM YOU?

- Work ready skills
- Hands on experience - to be more productive in your first year
- Proven ability to be able to participate safely & confidently in their workshop
- A good grounding of knowledge and skill in the subject areas completed in the pre apprenticeship program

# WHERE DO I START?

ASK YOUR VET CO-ORDINATOR, CAREERS  
TEACHER OR VCAL TEACHER FOR MORE  
INFORMATION

## HOW LONG IS THE COURSE?

The time-lines shown below indicate how long you need to complete the course

VCE/VET - 400 hrs in 2 years

VCAL/Cert. II Auto - 400 hours in 2 years

Every Wednesday at Seymour College  
Trade Training Centre

## WHERE CAN IT LEAD ME?

The pre apprenticeship program gives you lots of choice – it doesn't tie you down. Some students just do the course because they love cars.

### AT THE COMPLETION OF THE COURSE YOU CAN STILL CHOOSE

- An Automotive Apprenticeship in Light or Heavy vehicles
- Tertiary Education (with an enhanced “ATAR” score because of a VET subject)
