Dear parents and carers,

I am writing to let you know that the Puckapunyal Primary School has temporarily relocated to our school site from today, due to the significant damage from a structure fire at their school.

I have invited Puckapunyal Primary School to use our VCE building until the end of Term 4, which will cater for the staff and students to teach and learn in.

While this school will be on the same site temporarily, Puckapunyal Primary School is just relocating and will operate as its own school.

The health, safety and wellbeing of students is always our top priority. I believe we are well-placed to support the Puckapunyal Primary School community during this challenging time.

I trust you will welcome Puckapunyal Primary School staff and students and I appreciate your understanding during this challenging time as they use our facilities to regroup and continue to learn.

If you have further queries, please contact the general office on 57711300.

Kind regards,

A handwritten signature in black ink that reads 'Gail Hardman'.

Gail Hardman,
Executive Principal.
