

Dear parent/guardian

Seymour College is looking forward to another great year of teaching and learning and would like to advise you of Seymour College's voluntary financial contributions for 2023.

Schools provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students.

We want to thank you for all your support, whether that's through fundraising, making a voluntary contribution or volunteering your time. This has made a huge difference to our school and the programs we can offer.

Within our school this support has allowed us to organise and coordinate the best possible programs outside of the traditional teaching and learning classroom structure. These financial contributions assist us to purchase Library Books, IT equipment, classroom furniture, playground equipment, shade sails and much more.

Our school website [www.seymour.co.vic.edu.au](http://www.seymour.co.vic.edu.au) has the link to the Parent Payment Policy for your reference.

Yours sincerely
